

# NOTICE TO MEMBERS

## CLOSURE OF KSS FACILITY

**DATE:** March 22, 2020

Kamloops Shotgun Sports (KSS) Board of Director members present at the club this a.m. have unanimously agreed that it would be socially responsible and in the best health interest of club members to **close our club to all shooting activity effective 1400 hours Sunday, March 22, 2020 until further notice.** Directors present for this decision were President Charlie Weir, Vice President Elmer Fast, Secretary Treasurer Winona Woo, trap captain Dave Carr and 5-Stand captain Don Byers. Although a number of Directors were not present for this ad hoc meeting, those Directors present feel that the majority of absent Directors will support this decision.

### **Shooting activity is prohibited during this closure**

The lock on the lower entrance gate has been changed and your existing lock key (if you have one) will **not** function to open the new lock.

Members of the club Board of Directors and our club caretaker Mike Whetmore have been issued keys for the new lower entrance gate lock to enable access to address minor maintenance issues or emergencies. Keys for the new lock on the lower gate will **NOT** be issued to non board members unless extenuating circumstances occur.

**Please note that the club fun shoot scheduled for Sunday, April 19, 2020 is also CANCELLED.**

Your Board of Directors truly regrets having to take these unprecedented actions but the continuing COVID-19 crisis requires that organizations such as our club implement utmost due diligence in addressing this crisis by undertaking actions within our control.

You will be advised when our club re-opens for business.

Your cooperation and understanding with respect to this action will be most appreciated.

**KSS Board of Directors**
